**The Junior Players' Tour Golf Foundation, Inc (JPTGF)**, a 501 (c)3 corporation, was established for junior golfers. The JPTGF promotes golf to juniors without regard to background and economic status, and to meet the growing needs of training our youth through golfing events. Golf provides opportunities for training in many areas of life. Recognizing the need for a complete junior golf program the Junior Players' Tour provides a quality ranked junior golf tour. The JUNIOR PLAYERS' TOUR will provide opportunities to the young men and young women who participate in the program to enhance their performance as a golfer and an individual. Money raised from the JPT may help enhance other programs of the JPTGF. Sponsorships and donations are welcomed. Contact Junior Players' Tour
